The setting is perfect and you all worked so hard to make it such a special day – nothing was too much trouble and we would not hesitate to recommend your venue to anyone. Many thanks to you all.

We would just like to express our words of thanks to you for the marvellous Wedding which we held at your fantastic venue 'Lakeview Manor' on Saturday 29th December 2012. From the first time we met you, to leaving on the Sunday after the wedding, the guidance, help, support and professionalism from all the Lakeview Manor staff were second to none. All the worryibng and sorting was taken out of our hands in a cool, calm and professional manner. This manner certainly rubs off on to your staff, because they all were exceptional. Every guest we have spoken to have said what a fantastic venue it was and the staff were great.
